Re: 2nd Request, Annual Report for the Year 1993, Factory Butte Mineral Mine,  
S/055/006, Wayne County, Utah

Dear Mr. Shumway:

Thank you for your response to our initial request for submittal of the 1993 annual report for the Factory Butte Mineral mine. However, we need a copy of the annual report in the file, not just a note on our request letter. Please take a few moments and fill out the information requested on page one of the enclosed report form. Page two is where you can note that no activity occurred on the site this year. Please sign the report and return it to us by May 10, 1994.

Thank you for your cooperation in complying with Rule R647-003-116 of the Utah Mined Land Reclamation program.

Sincerely,

Joelle Burns  
Minerals Secretary
